One of our favorite SewJourns!

Get acquainted with Santa Fe's unique cultural mix and artistic vibe. Enjoy hands-on workshops with acclaimed local artists, learning and creating your own special souvenirs in the process.

Along with two days of indigo dyeing, we'll create our souvenirs with local artists.

Did we mention the single suite accommodations, the services of an award-winning tour guide, plus food, drink and general merriment?

Our SewJourn ends with a farewell dinner on Monday evening, allowing for easy airport departures on Tuesday morning.
